Dog’s Feast

Dog cannot make the feast. He just sits in his seat and weeps.
His pals come and see Dog weep. They feel sad for Dog.
Dog will have a feast for his pals. What will they eat for the meal?

They clean as a team and make the feast.
He gets meat, peas, tea and green beans.

They eat and eat and eat. They made a good feast as a team!
He makes treats and peach cake.
Dog cleans and sweeps.
